

## MEMBERSHIP APPLICATION

The Society of FBI Alumni, Inc., was organized in 1973 in Washington, DC, with 154 members for the purpose of providing a means of communication and social contact for former employees of the FBI. The Society currently has approximately 1100 members in 26 chapters across the nation. Membership in the Society enables each member to remain an integral part of the FBI family, to nurture friendships made and to offer an opportunity to make new ones through chapter meetings and annual conventions. The Society established a charitable foundation in 1985, which is funded by donations, endowments and memorials. The Society Foundation provides financial assistance to members in need and educational grants to our members and their relatives. The Society maintains liaison with FBI Headquarters, FBI Field Offices and the Society of Former Special Agents of the FBI, and its members continue to support the FBI in all of its initiatives.

If you were employed by the FBI for at least one year, we invite you to join our Society. Members will receive our quarterly magazine, *The Informant*, and will have access to our membership directory and other items of interest on our secure website, <https://thefbialumni.com>. If you are interested in becoming a member, complete the application below and send it along with your \$25 check to the Society Membership Coordinator at the address indicated. Society dues are collected annually by September 30; if joining on or after April 1, dues are \$15 for the remainder of the fiscal year. Your application will be acknowledged, and if you reside in an area where there is an active Society chapter, that chapter will be notified of your enrollment. The chapter may have chapter dues in addition to the national dues.
